

## Toolbox Meeting Awareness

Turn This...

Are you treating your toolbox meetings the same as a hazard assessment?

Are you doing toolbox meetings daily?

Are you having trouble coming up with topics to talk about?

Do you find the information is not the same company wide and you hear from workers "that is not what so-and-so taught us," and then workers lose confidence?

### What we have to offer:

- Thousands of topics
- Conduct a toolbox training session weekly
- Have standard information delivered company wide
- Use a variety of tools to deliver the toolbox meeting
  - Handout
  - Articles
